Subject: Re: Access Agreement for prospective Study Site

Dear Paul, John, and Chris,  
Thank you for the time, energy, and expertise that you and your staff shared with us yesterday. It certainly helped us to understand the challenges that you have faced and addressed in sampling, analysis, and QA at HF sites. This will certainly inform our efforts as we move forward with the Potential Impacts of Hydraulic Fracturing on Drinking Water Research Study.  
Sincerely,  
Ramona
